Thank you for your interest in donating stock to Seed Savers Exchange. Directions for transferring directly follow:

1. Notify your holding firm of the assets you would like to transfer, and provide the following account information for Seed Savers Exchange:

Receiving Firm Name:	LPL Financial

2. Notify Development Director, Cindy Goodner, at cgoodner@seedsavers.org or (563) 387-5670 that a transfer is taking place. **This is important as your name may not be transferred with the gift of stock, and this is the only way for Seed Savers Exchange to track your donation and provide you with an acknowledgment.**

Seed Savers Exchange will credit you for the value of the stock based on an average of the highest and lowest quoted selling prices on the day that your stock donation is received into our account. We sell the stock immediately upon receipt. For your income tax purposes, your donation is completed on the day your broker transfers it to the Seed Savers Exchange account. Thus for tax purposes, you should always consult your tax advisor regarding the actual amount of your deduction and the date of the contribution.

Thank you for supporting Seed Savers Exchange. Every year, Seed Savers Exchange brings seeds previously thought lost back into circulation, and gets them into the hands of gardeners across the country. Rare seeds are brought back to life, and their stories and genetic diversity live on. Your support makes this possible. Thank you.
